GLOVES

# KONG®

Since 1998, Ironclad Performance Wear has been the premier brand in task specific work gloves. Born on the job site, our gloves were the first to emphasize performance in hand PPE by using a new approach in design and construction. This revolutionary approach to work gloves, using premium grade fabrics and a comprehensive fit system, resulted in gloves that are equally protective, durable and comfortable without compromise or equal.

Countless protected hands over the years, and our ongoing research and development means that Ironclad's work glove expertise is rivaled only by our expansive range of gloves which now protect hands all over the globe. From DIY applications, to highly demanding heavy industrial applications, Ironclad's top priority is hand safety.
