- Pliers..... 13
- Combination Wrench Sets 14
- Combination Wrenches..... 14

CHROME SOCKETS

PLEASE USE CAUTION!

- Use only the proper type of socket for the application. All chrome-plated sockets are for hand use only. Do not use chrome sockets or drive tools with impact or power tools. Such use damages the tool and may result in bodily injury.
- Do not use pipes or other extensions to increase leverage on the ratchet.
- Always wear safety goggles to protect your eyes.

IMPACT SOCKETS

PLEASE USE CAUTION!

- Use only the proper socket for the application. All impact sockets are for use with impact drivers only. Do not use impact sockets with chrome ratchets. Such use damages the tool and may result in bodily injury.
- Do not use pipes or other extensions to increase leverage on the ratchet.
- Always wear safety goggles to protect your eyes.

PLIERS

PLEASE USE CAUTION!

- Never modify or alter pliers or any other tool.
- Do not use pipes or other extensions to increase leverage on pliers or cutting tools.
- Broken tips or cut materials can fly unpredictably and cause bodily injury.
- Always wear safety goggles to protect your eyes.

RATCHETS

PLEASE USE CAUTION!

- Do not use pipes or other extensions to increase leverage on the ratchet or flex bar.
- Do not use chrome sockets or drive tools with impact or power tools. Such use damages the tool and may result in bodily injury.
- Always wear safety goggles to protect your eyes.
- Mismatched, dirty or partially worn parts can cause ratchet to slip or break. Use only the correct socket and extension with the ratchet.
- Do not clean the ratchet by immersing in fluids. Non-sealed ratchet mechanisms can be cleaned by hand and lubricated with light oil.

WRENCHES

PLEASE USE CAUTION!

- Do not use pipes or other extensions to increase leverage on the wrench. Such use damages the tool, and may also result in injury.
- Always wear safety goggles to protect your eyes.
- Do not over torque.
- Mismatched, dirty or partially worn parts can cause wrench to slip or break, and bodily injury may result.

LIFETIME WARRANTY

Brighton-Best International (BBI) Preferred Hand Tool products, except as otherwise specified, are warranted under normal use and service against defects in materials and workmanship. This warranty does not cover wear and tear from normal use or any damage or product failure caused in whole or part by misuse, abuse, or alteration as determined at BBI's sole judgment.

Visit www.brightonbest.com for full warranty information.

SOCKET MASTER SETS

MANF. No.	Part No.	Description	Size	Type	Case Qty.
209	S50001	USA Socket Master Set	WRT 10 Piece 1/4" Dr. Socket Master Set (SAE 12 Pt)	1/4" Drive	1
