

BLACK NITRILE / GRAY LINER INDUSTRIAL GLOVES WITH PALM DOTS

APPLICATIONS

- General Assembly
- Automotive
- Painting & Print
- Micro-Engineering
- Horticulture

PRODUCT DESCRIPTIONS

• The biopolymer coating provides durability, abrasion resistance, softness, and dexterity

TECHNICAL DATA

Material: 15G Gray Nylon + spandex liner, microfoam nitrile 3/4 coated with palm dots

Color: Gray with black

Sizes: S-XXL

Packaging: 6 per box / 120 per case

International Standards: EN 388 4131

Country of Origin: China

Harmonization Code (HTS#): 6116.10.6500

PART NO.	DESCRIPTION	CUFF BINDING COLOR
M05035	Size: S	Red
M05036	Size: M	Green
M05037	Size: L	Brown
M05038	Size: XL	Blue
M05039	Size: XXL	Black

EN 388 STANDARD	
Abrasion Resistance	Level 4
Blade Cut Resistance	Level 1
Tear Resistance	Level 3
Puncture Resistance	Level 1
