Allcap Ltd

"Allcap uses the Brighton Best website every day. We can check stock, access price information for any quotes we need and place orders knowing that we will receive delivery next day."
- Mark Roderick

"I have found the website ordering facility to be fast, efficient and best of all I can use it while hanging on the phone to other suppliers!" - Martin Hubble

North East Bolting Supplies

"The Brighton-Best website is really quick and easy to use. With extra discounts and the wide range of products, it's the only way to purchase your fasteners!" - Stuart Wood

"At Bufab UK we have benefited from the introduction of the Brighton-Best website from product range enquiries through to delivered product which has resulted in business growth between our Companies in excess of £100,000. The website is user friendly and with instant accessibility we can obtain prices and stock availability through to order placement in one simple process." - Tracey Robinson, General Manager

Welcome BBI New Sales Lead

Kymberley Da Costa has more than 13 years experience in the fastener trade and will be a valuable asset to the sales team as we continue to forge ahead with our plans for future growth in the world market of fasteners. Specialising in the exporting of Stainless Steel Fasteners Kymberley has targeted the South African and Irish markets during her career and has extensive knowledge of customs paperwork. Kymberley agreed "This is an exciting time at Brighton-Best and I am looking forward to the challenge ahead. I am sure that with several years experience within the industry to draw on I can help Brighton-Best continue to grow in the fastener market."
