BBI Market Announcement:

BBI is excited to announce the acquisition of CleanFit Associates, Inc., a leading provider of disposable gloves to the automotive retail channel. BBI has continued to expand its portfolio of products beyond its traditional base of industrial and construction fasteners, starting with Preferred Tools and Consumables, Ironclad Performance Wear for Safety Gloves, and now Cleanfit for Disposable Gloves into the retail channel.

Robert Virden, the President of Cleanfit Associates, says he's excited to work with BBI to leverage the scale and capital BBI can provide to bring the brand to the next level.

We are appreciative to the customers, employees, and suppliers that have built the Cleanfit brand, and we look forward to forging a strong future ahead.

Best,
BBI Management
